MEETINGS & EVENTS AT THE CENTURY

Spread across 24,000 square feet on Shaftesbury Avenue, the Century hosts a variety of stunning event spaces from presentations to sumptuous dinners, to castings, parties, product launches and weddings.

The club's 19th century building has a colourful past. It once housed the Ford Motor Company's first motor showroom in London and in later years was a set design warehouse for West End Theatre productions. Today, among its five storeys you'll be met with chic urban interiors with retro tones.

Our team of private event specialists will be on hand to help you perfect every last detail, ensuring that your experience with us is nothing short of unforgettable. While the Century kitchen stands ready to curate an epicurean journey that surpasses all expectations. From artisanal cocktails that ignite the senses to delectable canapés that tantalize the palate, let us whisk you away to a world of pure decadence and delight.

THE ROOF TERRACE

Undoubtedly the pièce de résistance of Century Club, we are proud to host one of the largest rooftop terraces in Soho. With stunning views over Shaftesbury Avenue, and London's iconic skyline, the terrace is tailor-made for hosting your exclusive private event. Whether it's a sun-kissed affair or an evening under the stars, our retractable roof ensures a seamless experience, shielding you from the unpredictable whims of British weather.

Accommodating up to 200 people and complete with a large bar, full PA system and adjoining smoking terrace, our roof terrace is the perfect canvas for creating an unforgettable event, whether it's a corporate gathering, intimate wedding reception, or a stylish cocktail soirée.
